One person "feeling confident" of a Trump win in Tuesday's poll is former UKIP leader Nigel Farage – who revealed yesterday that he had piled £10,000 on the president being re-elected.

Practical tips for managing your home and your life based on Proverbs 31.

A (Former) Skeptic's Guide to the 12-Step Program Knowledge from a personal journey. Experiences with addiction vastly differ, but something can be learned from everyone's journey—especially those who achieve sobriety. Author Bucky Sinister penned this book because he had something to share from his own journey, a realization that completely changed his outlook on recovery. This smart and snide book is his testament to the effectiveness of the 12-Step Program, a path to recovery that he never expected to go down (and work). A tough-love approach to recovery. As a poet, author, and comedian, Sinister doesn't hold back from speaking the truth in this book. He speaks bluntly about addiction and his own struggles with it. Sinister appeals to those who are turned off by the usual recovery self-helps. He talks straight to readers who struggle to buy into the effectiveness of the 12-Step Program—particularly those like Sinister, an atheist, who have problems with the "higher power" concept intertwined with the program. A different kind of "self-help", Sinister's book presents itself as self-help, but don't expect it to have the same tone as others you've read. The book is full of Sinister's comedic touch, colorful language, and stories from "scumbags" that contain life-saving wisdom. An unabashed testimony to Sinister's personal journey to sobriety and those of others, this recovery book is sure to educate, entertain, and inspire. Read Bucky Sinister's Get Up: A 12-Step Guide to Recovery for Misfits, Freaks, and Weirdos and find... • A different outlook on the 12-Step Program • Raw and honest stories of addiction and staying sober • A source of both light laughter and cutting wisdom for those on the path to recovery Readers of books such as The Unexpected Joy of Being Sober; Recovery: Freedom from Our Addictions; and Staying Sober Without God will find further guidance and inspiration in Get Up, which should be the next book for you.

"A celebration of the varieties of recovery experience." From the foreword by William L. White, author, "Slaying the Dragon: The History of Addiction Treatment and Recovery in America." "There are many versions of the 12-Step program of recovery. In fact, there are about as many versions as there are alcoholics in AA who use the program to get sober and to maintain their sobriety." Thus begins "The Little Book: A Collection of Alternative 12 Steps." Inside: \* Twenty alternative versions of the 12 Steps reflecting a wide range of philosophical, professional, religious, and cultural perspectives and traditions. \* Four interpretations of each of the Steps by well-known authors Stephanie Covington ("A Woman's Way through the Twelve Steps"), Therese Jacobs-Stewart ("Mindfulness and the 12 Steps"), Allen Berger ("The Therapeutic Value of the 12 Steps") and Gabor Mate ("In the Realm of Hungry Ghosts"). \* \* Templates so the reader can write her or his own personal alternative 12 Steps as well as record insights into - and interpretations of - each of the Steps. \* An essay that accurately and insightfully traces the origins of the AA 12-Step recovery program. The Little Book is a celebration of the many ways people are today adapting and interpreting the original 12 Steps of Alcoholics Anonymous in order to achieve a "personality change sufficient to bring about recovery from alcoholism." "A beautiful testimony to AA's living history." Ernest Kurtz, author, "Not God: A History of Alcoholics Anonymous."

A comprehensive guide to the 12 Steps, from a doctor and therapist in recovery. Finally... science meets spirituality! Whether you're new to the 12 Steps, going through them again, sponsoring someone through the Steps, or just want to deepen your knowledge about them, this is the book for you. "A Trip Through the 12 Steps with a Doctor and Therapist" is a comprehensive how-to guide to the 12 Steps, combining the most up-to-date science with the 12 Step literature. This is the most in-depth and insightful guide to the life-changing 12 Steps available, and an important tool for optimizing the therapeutic value of the 12 Steps. "A Trip Through the 12 Steps with a Doctor and Therapist" is the perfect companion to the Big Book and other 12 Step literature.

In her first book, "12 Steps to Becoming a More Organized Woman," Lane Jordan provided women of all ages with hundreds of time-saving tips and biblical advice on how to organize, manage, and balance their life and family roles. Now she shares her insight and experience on how to be an exceptional mom. Demonstrating why everything a mom does can be a benefit to family and loved ones, Jordan helps busy mothers discern what is really important--and what isn't--and become more effective for God's kingdom. Readers will discover how to be more organized, reduce stress, and gain more time to grow into the woman God intends. Includes practical hints on managing time wisely, smart meal preparation, having fun with your kids, education, disciplining children with love, maintaining emotional and spiritual health, and much more. An excellent resource for a Bible study or small group Chapters include: - Seek God First - Manage the Time? - Provide Healthy, Satisfying Food - Spend T.I.M.E. Together - Teach your Children Well - Discipline You Children in Love - Manage Your Work and Work Your Finances - Recover Your Sense of Self - Restore Your Body - Renew Your Mind - Revive Your Spirit - Build a Strong Family

Which makes for a healthier life. Pick it up and start reading it. Now. Dr. Bruce F. Singer, Psy.D. Peoples Anonymous has finally brought the beautiful 12 Step way of life and healing Power to the rest of the world. Father Mike Falls

Offers information on understanding and applying the steps in everyday life and interprets the principles behind the AA program

A fresh interpretation of the healing process established by the Twelve Steps, with an eye toward the social, cultural, and psychological factors that affect men--and thus their recovery from addiction. In A Man's Way through the Twelve Steps, author Dan Griffin uses interviews with men in various stages of recovery, excerpts from relevant Twelve Step literature, and his own experience to offer the first holistic approach to sobriety for men. Readers work through each of the Twelve Steps, learn to reexamine negative masculine scripts that have shaped who they are and how they approach recovery, and strengthen the positive and affirming aspects of manhood.This groundbreaking book offers the tools needed for men to work through key issues with which they commonly struggle, including difficulty admitting powerlessness, finding connection with a Higher Power, letting go of repressed anger and resentment, contending with sexual issues, and overcoming barriers to intimacy and meaningful relationships.A Man's Way through the Twelve Steps offers practical advice and inspiration for men to define their own sense of masculinity and thus heighten their potential for a lifetime of sobriety.

The Original 12 Step Book Written In 1946. (The little red Book) This book was the first guide used to help people do the twelve steps. It was approved by AA , promoted, by Dr Bob, And was offered for sale by AA prior to AA 12 & 12. It remains as the clearest and easiest to understand guide.
