## 2005 Mercury Grand Marquis Owner Reviews and Ratings

"I have 2005 Grand marquis and the car is easy and relatively cheep to maintain, a lot of parts on market for this model ,in my opinion more comfortable than mercedes S class from the same year. Of course quality of plastic interior is not that great. with V8 fuel economy : 13-14 mpg in city and 20-21 mpg on highway, If you can find the one in great condition with low millage and take good care of it this car should be very reliable daily for years and perfect for long trips.
