~~Admissions—State Bar of California~~

The California Bar Exam is notoriously difficult and has one of the lowest passage rates of any bar exam in the country. As of 2017, the exam takes two full days, including a performance test designed to evaluate applicants' ability to handle a number of legal challenges involving a client, according to the State Bar of California , which created and administers the exam.

~~Which States Have the Most Difficult Bar Exams?~~

The Multistate Bar Examination (MBE) portion of the exam accounts for 50% of the total score and is a nationally administered, 200-question multiple choice exam. As of February 2007, only 190 questions are scored, and the other 10 are unscored experimental questions used to gauge their appropriateness for future exams.
