How to repair a BMW E60 CCC if CCC starts for the first boot. Posted on May 19, 2016 by eobdtool.co.uk. Note: The following must be your symptoms for this fix to work. It may fix other symptoms but will 100% fix the following issue.

How to repair a BMW E60 CCC if CCC starts for the first boot
after repair your unit will be flashed (updated) and coded according to your vin number and fsc will be loaded to make voice control feature work (complex procedure and barely any bmw coder can do that to used ccc unit), unfortunately we don't have all fsc codes and sometimes it might not match after uploading (it says accepted but won't work for some unknown reason), so we do not guarantee voice commands will always work after repair. so make sure sticker (if present matches your vin) or ...
