Travis Maddox, Eastern University's playboy, makes a bet with good girl Abby that if he loses, he will remain abstinent for a month, but if he wins, Abby must live in his apartment for the same amount of time.

My rules for being a Manhattan billionaire's fake girlfriend... No kissing. No fooling around. No falling in love. What can possibly go wrong? Note to self: When your boyfriend dumps you on your thirtieth birthday, it's probably not the smartest idea to drink so much that you wake up in the same bed as the mysterious hottie wearing the gorgeous suit who you noticed sitting across the bar. The only silver lining in my obvious lack of judgment is the promise of never seeing Mr. Suit again, not in a city the size of New York. Or so I thought, until a story I'm working on about the country's most sought-after and elusive escort lands me in the same café as Mr. Suit. So I do what any self-respecting woman of my age would do in my shoes... Try to ignore him. But he won't let me. Instead he makes a proposition that leaves me questioning whether I need to have my ears checked. Be his fake girlfriend for a summer of wealth and excess in the Hamptons. In return, he'll help me win back my boyfriend's heart. Juvenile? You bet. Effective? Could be. Bad idea? Most likely. But what do I have to lose? Apparently, a lot more than I originally bargained for. Let the games begin... Dating Games is a standalone modern retelling of Cinderella meeting her billionaire Prince Charming. If you like a sassy heroine, a sinful hero, and a whole lot of laughs, then you'll love this fake relationship romance. A stolen glance across a darkened restaurant. A kiss under the Italian moon. A proposition I never would have made in my former life. Our story began just like all fairy tales do... Once upon a time.
