Probability Opening line/sentence: One morning Ethan woke up with a cat on his head.

Brief Book Summary:

~~A Very Improbable Story by Edward Einhorn~~

Without looking, Ethan must pick out a dime from his coin collection or two matching socks from his dresser, or do something else improbable. If he doesn't, Odds is there to stay, and Ethan has a 100% chance of missing his big soccer game. A very improbable story about a challenging math concept. Customers Who Bought This Item Also Bought

rachel January 9, 2020 at 2:42 am. I don't know about this specific context, but GPT-2 definitely has an advantage over using markov chains in standard text-generation. For example, given enough training it can learn to summarize when prompted with TL;DR:. A markov chain could only ever parrot-back the beginnings of summaries that it has already seen, whereas GPT-2 can learn to recombine the ...
