(PPAP) Production Part Approval Process | AIAG

PPAP is a series of documents gathered in one specific location (a binder or electronically) called the "PPAP Package". The PPAP package is a series of documents which need a formal certification / sign-off by the supplier and approval / sign-off by the customer. The form that summarizes this package is called PSW (Part Submission Warrant).

(PDF) AIAG Production Part Approval process PPAP 4th ...

The purpose of the Production Part Approval Process (PPAP) is:

To provide the evidence that all SLTN engineering design and specification requirements are properly understood and fulfilled by the Supplier. To demonstrate that the Suppliers manufacturing process has the potential to produce product that consistently meets all requirements during an actual production run at the quoted production rate.
