Cargo professional,  
you've no doubt  
developed your  
own way of doing  
things. The  
trouble is, no  
item is shipped  
by just one  
person or even  
one company.  
When everyone in  
the transport  
chain - ground  
handlers,

# Where To Download Air

freight forwarders and airlines - works from the same guidelines, damage, delays, refusals and fines are significantly reduced.

## ••• Operations

Description.

This advisory circular (AC) provides operators with recommended procedures for managing cargo operations.

Developing and using these comprehensive

# Where To Download Air

procedures is  
key to  
establishing a  
safe and  
efficient cargo  
operation. The  
AC provides  
guidance for  
aircraft cargo  
loading systems  
(CLS),  
restraints,  
special cargo,  
and unit load
