## ~~Albania A Guide And Illustrated Journal~~

Closed to outsiders for much of the 20th century, Albania has long been Mediterranean Europe's enigma. Until fairly recently its rump mountains, fortress towns and sparkling beaches were merely a rumour on most travel maps. But, with the end of a particularly brutal strain of communism in 1991, Albania tentatively swung open its gates.

~~Amazon.co.uk: albania guide book~~  
Albania is a beautiful country and this is one of very few guides to the country. It is rather incomplete and some of the information is dated but it is about the best resource out there on this largely unexplored county. Albania is beautiful and the people are friendly but the country lacks the infrastructure needed for most tourism.
