Almost three centuries have passed since the oldest manuscript of “The Thousand and One Nights” arrived in Europe. Since then, the “Nights” have occupied the minds of scholars world-wide, in particular the questions of origin, composition, language and literary form. In this book, Muhsin Mahdi, whose critical edition of the text brought so much praise, explores the complex literary history of the “Nights,” bringing to fruition the search for the archetype that constituted the core of the surviving editions, and treating the fascinating story of the growth of the collection of stories that we now know as “The Thousand and One Nights,”

First published in July 1850, shortly after Wordsworth’s death, The Prelude was the culmination of over fifty years of creative work. The great Romantic poem of human consciousness, it takes as its theme ‘the growth of a poet’s mind’: leading the reader back to Wordsworth’s formative moments of childhood and youth, and detailing his experiences as a radical undergraduate in France at the time of the Revolution. Initially inspired by Coleridge’s exhortation that Wordsworth write a work upon the French Revolution, The Prelude has ultimately become one of the finest examples of poetic autobiography ever written; a fascinating examination of the self that also presents a comprehensive view of the poet’s own creative vision.

DK Eyewitness Italy travel guide will lead you straight to the best attractions Italy’s kaleidoscope of regions have on offer. Packed with photographs and illustrations, the guide explores every facet that makes the country irresistible; from the Alps in the far north to the sun-blessed Mediterranean shores of the south. The guide provides all the insider tips every visitor needs from soaking up the romance of Verona, basking in the warm evening sun in Tuscany, or gazing at the ancient ruins lining the streets of Rome as well as comprehensive listings of the best hotels, villas, resorts, restaurants, and nightlife in each region for all budgets. You’ll find 3D cutaways and floorplans of all the must-see sites of the major cities and towns. DK Eyewitness Italy explores the history, classical origins, architecture and art of this stylish and charismatic country - and still finds room to recommend a wine to go with the risi e bisì or the maccheroni con le sarde. With up-to-date information on getting around by train, boat, car, walking in cities and all the sights, beaches, and resorts listed town by town, DK Eyewitness Italy is indispensable. Don’t miss a thing on your holiday with the DK Eyewitness Italy

Italy offers an extraordinary kaleidoscope of regions and experiences for all visitors. Packed with photographs, illustrations and maps the Eyewitness Travel to Italy in the new ebook format has mapped out all of the remarkable flavors of Italy. Use this guide to help you decide where to stay, eat, relax, and shop. Every page in the Eyewitness Travel to Italy has pinpointed the highlights of each fascinating region. Annually revised and updated with beautiful new photos, illustrations, and maps, this guide includes information on local customs, currency, medical services, and transportation. Consistently chosen over the competition in national consumer market research. The best keeps getting better!
