"It's the overall gameplay experience. Art is a means to an end: to establish a game world you want to spend time in." At the festival, Van Dijk explained at length how the 'world-building' of Destiny 2 actually worked, and how the various teams at Bungie co-create the ultimate user experience. The art team would create art to 'serve the player fantasy', the minute-to-minute gameplay, and the game's story progression, synchronising their efforts with other teams to embellish ...
