The Audi A4/S4 is here. We decided to do a more dramatic and polarizing design for this fabulous AWD luxury sport truck. Early response has been amazing. Full production kits are shipping now. This kit is designed for the 2002-2008 Audi B6 and B7 versions of the A4/S4 cars. The quattro all wheel drive system makes this an incredible choice for a truck conversion even though you will see some FWD models...look for the quattro cars since they are just as inexpensive as the FWD A4s.
