We often hear that alternative medicine is superior to classical medicine, for it treats us holistically, both the physical body and the immaterial part of our nature. Although such an approach seems desirable, it is precisely this aspect that opens the door to spiritual views incompatible with Christianity. Many forms of alternative medicine speak of a divine essence we allegedly possess, of a vital force that we can manipulate, of spiritual beings that can help us, and other such views closely related

to Eastern religions and New Age thought. In their desire to find healing at any price, Christians often resort to these methods without realizing the spiritual danger involved. For Christians who want to live consistently with their faith, this book is intended to raise awareness of the hidden beliefs of alternative medicine.

It is a pioneering zeal by the author on a new subject of Bach Flower Remedies which is an allied subject of homeopathy. The system of flower remedies is still in its infancy stages. In this work, description of remedies

revolutionary approach to healing through the personality of the patient aroused a storm of controversy. Yet seven decades have demonstrated its efficacy in thousands of cases. This volume includes three books in one: *Heal Thyself* and *The Twelve Healers* by Edward Bach, M.D.; and the *Bach Remedies Repertory* by F. J. Wheeler, M.D. In this comprehensive book you'll discover Dr. Bach's 38 remedies and their application to every situation. It also reveals Dr. Bach's findings on what disease actually is and the natural way to conquer it--by allowing the miraculous human organism to find its own
