There are many reasons – besides its proximity to Seattle – why Mount Si is the most popular hike in the state: beautiful views, wildlife (some of it not so wild), old growth forest, and a dramatic summit worthy of a more remote peak. Rising dramatically above the Snoqualmie Valley, it serves as a literal and figurative gateway to the Cascades for thousands of hikers.

"People turn their heads when I walk past them. They know where I'm going. My feet almost stumble on the uneven pavement of the cobblestoned street when I sense Mark's gaze on me. This is the only time he takes notice of me, and it's for a reason I wish didn't exist. All the other times I want him to see me, his eyes skip right over me. I'm a wolf in sheep's clothes to these people. A potential threat. I already know what will happen once I get to the Clinic. I'll have to talk to that clueless psychiatrist so he can measure my possibly violent tendencies. Because that stigma has been on me ever since I turned twelve and the person I loved most in the whole wide world was Purged from this city. My name is Sarah, and my father was a violence offender." Sarah, resident of Dartmoor City. She's bitter, she feels trapped, and she wants nothing more than to venture beyond the fence that's keeping her in. She just has no idea how to. But when she discovers a secret that President Jacob would rather keep under wraps, Sarah is forced to make a move for freedom - because she meets a guy who is even more of a prisoner than she is, and he desperately needs her help. keywords: dystopian, young adult

This book offers practical and effective ideas that parents can immediately implement at home to help their children get good grades in school, and position them for success in college, career and life.

Luis dreams of becoming an astronaut. Unfortunately, his mean spirited parents don't think the same way. But everything changes when he is lured by a strange moonlight, whisking him to the parallel world, Adastra. However a hideous curse has befallen the land, the stars no longer twinkle and the moon is broken. After a young girl saves his life, she explains a dark evil awaits them if the moon isn't restored. Tormented by a dark shadow, Luis embarks on a danger filled quest to solve the mystery, but the deeper Luis searches, the more he becomes convinced...a great destiny awaits him.

Day Hiking series toward volunteer trail maintenance. Since launching this program, we've contributed more than \$14,000 toward improving trails. For this book, our 1 percent of sales is going to Washington Trails Association (WTA). WTA hosts more than 750 work parties throughout Washington's Cascades and Olympics each year, with volunteers clearing downed logs after spring snowmelt, cutting away brush, retreading worn stretches of trail, and building bridges and turnpikes. Their efforts are essential to the land managers who maintain thousands of acres on shoestring budgets.
