*Bf Goodrich Deice Boot Repair Limits*  
Collins Aerospace is the manufacturer of Goodrich® pneumatic de-ice boots. Goodrich FASTboot Pneumatic De-Icers take the guess work out of de-icer installation. The pre-applied adhesive provides a smooth and consistent de-icer bond at a fraction of the time needed for application of standard de-icers. Simply add the primer to the clean leading edge surface and allow a five-minute dry time.

*FASTboot® Pneumatic De-Icers | Goodrich Deicing Systems*  
Patching the de-ice boot is a fairly simple procedure and typically involves using a template over the area and scuffing up the boot. It is then thoroughly cleaned with a solvent, and the repair...
