Big Red Tequila, written before the Son of Poseidon emerged from the sea of Riordan's imagination, is a gritty, witty, and fun book. It has many twists and turns in the story, and Tres Navarre, the protagonist, takes more of a beating solving two connected mysteries than a Samsonite at the DFW airport.

Jackson "Tres" Navarre is returning to his hometown of San Antonio after a ten year absence to see if he can make a go of things with his old high school/college sweetheart. He would've married her back then but witnessing his father, then the local County Sheriff, being gunned down in their front yard (and the case never solved) - well, that does things to a young man.
