Practice

Standardized tests allow for equal and equivalent content for all students. This means a complete evaluation of students from an equal perspective can be obtained. Using alternate tests or exempting children from taking a standardized test creates unequal systems, which then creates one group of students who is accountable to their results and another group of students that is unaccountable.

Each test consists of 12 questions, each with
five possible answers, only one of which is
correct (or optimum). You have a
maximum of 10 minutes to complete the
quiz. If you redo the quiz, you will not get
the same set of questions, so it is a good idea
to come back to each topic on several
occasions.
