Yellowrock and Beasts ~~Blood Trade Jane Yellowrock Book~~
Blood Trade is newest book, and it's my opinion that the books just get better the longer Ms. Hunter writes them. If you are new to this series: Jane Yellowrock's world is well-fleshed out, with great characters you can relate to and either love, or love to hate. Ms. Hunter does a good job of balancing the supernatural with the modern day world of humans, and imagining what sort of conflicts may take place.
