1st Window (Pay Here): Training should provide you a basic understanding of where each menu item is located on the register. When taking an order, you should: 1. Greet the customer (Example: Welcome to McDonald's, may I take your order?). 2. Take the order (asking every once in a while, anything else? or will that be all?). 3.

Introduction. Welcome to your handmade burger Co. training pack. This is a quick guide to how to use your training pack. To progress through your training pack you must complete all objective sets, all written assessments, produce work for any projects set and provide examples when you have demonstrated the required skill set for your role. Due to the nature of the business, it is not unlikely that you will not be able to complete a section of an objective set in a particular day, but you ...

The employees are always trained for burgers and this is called 'HamBurger Training' where the employee might be sent outside the workplace to learn all the hygiene techniques and health and safety. Off Job Training is when an employee is trained outside the actual workplace and builds up practical skills because they are trained by actually doing the work, for example an employee might be sent to McDonalds head office to be trained and would learn different techniques that are actually ...
