Chasing Chaos is Alexander's story, a recounting of her baptism-of-fire in crisis-area fieldwork for various NGOs. Her mother's death from cancer spurs her into doing something to "make a difference," which sends her When we think of international aid workers at all, we tend to think of them in one of two ways (mostly depending on our political leanings): selfless saints or intrusive busybodies.

“In Chasing Chaos, Alexander takes us to a place where few outsiders can go, cracking open the rarefied world of humanitarianism to bare its contradictions—and her own—with boldness and humor. The result is an immensely valuable field guide to the mind of that uniquely powerful and vulnerable of beasts: the international aid worker.”

CHASING CHAOS takes readers along as Alexander manages a 24,000-person camp in Darfur and collects evidence for the Charles Taylor trial in Sierra Leone. In the aftermath of the 2004 tsunami that ravaged South Asia and Haiti's devastating earthquake in 2010, Alexander is on the front lines, contributing to the massive, international aid efforts.
