Written by well-respected authors, the Cambridge Checkpoint Science suite provides a comprehensive, structured resource which covers the full Cambridge Secondary 1 framework and seamlessly progresses into the next stage. English language skills are the single biggest barrier to students accessing international science. We've developed this workbook to help Cambridge Lower Secondary Science students understand scientific terms and express themselves effectively in English. The write-in workbook covers English language in science contexts to help students develop their skills and confidence in preparation for the Checkpoint Test. Activities range from choosing the right word in a list of possible answers to writing longer responses. The answers to the workbook questions are on the Cambridge University Press website.

Cambridge Global English (7-8) is a lower Secondary course following the Cambridge Secondary English as a Second Language Curriculum Framework developed by Cambridge English Language Assessment. The course is also aligned with the Common European Framework of Reference. Workbook 7 is organised into eighteen thematic units of study based on the Cambridge International English Scheme of Work for Stage 7. The units are carefully structured to reinforce the language learning of the Coursebook, at the same time as extending students' knowledge via a range of exercise types. CEFR Level towards B1.

Written by well-respected authors, the suite provides a comprehensive, structured resource which covers the full Cambridge Secondary 1 framework and seamlessly progresses into the next stage.
