Laws and practices governing citizenship effectively leave hundreds of thousands of people in Africa without a country. These stateless Africans can neither vote nor stand for office; they cannot enrol their children in school, travel freely, or own property; they cannot work for the government; they are exposed to human rights abuses. Statelessness exacerbates and underlies tensions in many regions of the continent.

## *Citizenship and Customary Law in Africa (Book)*

About Citizenship in Africa. Citizenship in Africa provides a comprehensive exploration of nationality laws in Africa, placing them in their theoretical and historical context. It offers the first serious attempt to analyse the impact of nationality law on politics and society in different African states from a trans-continental comparative perspective.
