Coming of age is a young person's transition from being a child to being an adult. It continues through adolescence. The specific age at which this transition takes place varies between societies, as does the nature of the change. It can be a simple legal convention or can be part of a ritual or spiritual event, as practiced by many societies. In the past, and in some societies today, such a change is associated with the age of sexual maturity, especially menarche and spermarche. In others, it i

~~Coming of age - Wikipedia~~

Coming of age is a term used to describe the transition between childhood and adulthood. For some cultures, coming of age is determined at a certain age when a child is no longer a minor. Other cultures determine a child's coming of age when he or she hits puberty or a particular age (13, 15, 16, 18, and 21 are commonly thought of as significant ages for young adults).
