Abdo Publishing, a division of ABDO.

This informative book gives readers a look into the Constitution and the Bill of Rights. Readers will learn about the three branches of government--executive, legislative, and judicial--as well as the way each of those branches works to keep order and the various aspects including Congress, the Supreme Court, the House of Representatives and the Senate. Featuring detailed images, stunning facts, and supportive text, this book will have readers interested, engaged, and eager to learn more about the development of the Constitution. Other featured topics include the Federalist Papers, "checks and balances", the Preamble, vetoes, and impeachment. This book features a helpful table of contents and glossary to aid readers in learning all they can about this important part of U.S. history.

A new edition upon the 50th anniversary of the landmark 1967 US Supreme Court decision In re Gault.

Constitutional scholar George Anastaplo believes that many judges and lawyers draw upon a skimpy, if not simply unreliable, knowledge of history. He proposes that in order to write reliable opinions, these men and women must have a deeper understanding of the enduring principles upon which the law naturally tends to draw. In the study of constitutional law, Anastaplo argues that it is more important to weigh what the Supreme Court has said and how that is said—what considerations it weighed and how—than it is to know what it is recorded that the Court “decided.” In *Reflections on Constitutional Law*, Anastaplo makes the case for a

File Type PDF Consutional Law For Kids Discovering The Rights And Privileges Granted By The U S Consution

renewed focus on a now often-overlooked aspect of the study of law. He emphasizes the continuing significance and importance of the Constitution by thoroughly examining the most important influences on the American constitutional system, including the Magna Carta and the Declaration of Independence.

This study explores whether and how enshrining children's rights in national constitutions improves implementation and enforcement of those rights by comparing Danish, Finnish, Icelandic, Norwegian and Swedish law.

Take a trip back in time and discover how the government of the United States was established in this fun board book for young kids. The Constitution for Babies introduces young children to the Founding Fathers and their mission to create a new country where no single person had too much power over everyone else. Little readers are guided through their journey, from the founding of the nation in 1776, to the creation of the US Constitution, and the amendments in the years that followed. Simple, age-appropriate text explains how government works, and why it was designed in this way. Bright illustrations engage kids' attention and explain key concepts from the text. Ideal for budding historians, this board book is ideal for sparking children's curiosity about the very beginning of the United States.

We the Students is a highly acclaimed resource that has introduced thousands of students to

File Type PDF Consitutional Law For Kids Discovering The Rights And Privileges Granted By The U S Consution

the field of legal studies by covering Supreme Court issues that directly affect them. It examines topics such as students' access to judicial process; religion in schools; school discipline and punishment; and safety, discrimination and privacy at school. Through meaningful and engagingly written commentary, excerpts of Supreme Court cases (with students as the litigants), and exercises and class projects, author Jamie B. Raskin provides students with the tools they need to gain a deeper appreciation of democratic freedoms and challenges, and underscores their responsibility in preserving constitutional principles. Completely revised and updated, the new, Fourth Edition of *We the Students* incorporates new Supreme Court cases, new examples, and new exercises to bring constitutional issues to life.

Presents an illustrated version of the preamble to the Constitution of the United States.
