*Management
Accounting
Philosophy Series III
An Evaluation ...*

Standard costing is an important tool of cost control, which is one of the main objectives of management accounting. Standard costing techniques compare the standard costs of materials,

Where To Download Cost

labor, and expenses incidental to production, which is predetermined, with the actual costs that have occurred in the course of carrying out production.

*Management
Accounting:
Definition, Functions,
Objectives ...*

In cost accounting,

Where To Download Cost

the process of allocating indirect costs to a product involves judgment. Unlike direct costs (which are traced), indirect costs are allocated, and that requires estimates. The process isn't easy, but it's vital. You need to allocate indirect costs carefully to understand the cost

Where To Download Cost

of an object, such as
a product or service.
