EVANGELIST NEAL FRISBY.....1998..... - Outstanding ...
Lonnie Ray Frisbee (June 6, 1949 – March 12, 1993) was an American Charismatic evangelist and self-described "seeing prophet" in the late 1960s and 1970s. He maintained a hippie appearance and struggled with homosexuality (according to his own report). He was notable as a minister and evangelist in the signs and wonders movement of the 1970s and 1980s. ...

The first book about Evangelist Neal Frisby's early life, written by Reverend W.V. Grant in 1962.

Originally published 15 years ago and the subject of a PBS documentary, this timely new edition offers an insightful and engaging journey into the world conservative Christians in America.

"... a book about healing revivalists that takes them seriously and treats them fairly." Journal of Southern History"... will be a definitive work for some years to come." Reviews in American History"Harrell has obviously attended countless rallies, read sheafs of literature, and personally interviewed many of the principals. He... tell[s] the story in a largely biographical format. This makes for lively reading." Harvey G. Cox, New York Times Book Review"... will attract readers interested in the reasons behind the various fat and lean periods among revivalists." Publishers Weekly"All Things Are Possible is the first book to tell the story of the enterprisers who have personal followings. The narrative is full of surprises: of seriousness and scandal strangely blended. Professor Harrell has done a staggering amount of research in hard to discover sources; his scholarship is impressive and he is eminently fair-minded. Here is a missing link in the chain of American religious movements." Martin E. Marty, The University of Chicago Divinity School"Harrell's book will doubtless be the definitive work on the subject for a long whilewho else will wade through Healing Waters and Miracle Magazine with such fastidious care?" The Kirkus ReviewsThis is the first objective history of the great revivals that swept the country after World War II. It tells the story of the victories and defeats of such giants of the revival as William Branham, Oral Roberts, Jack Coe, T. L. Osborn, A. A. Allen. It also tells of the powerful present day evangelists who are carrying on the revival, including Robert Schambach and Morris Cerullo. The book includes pictures of Schambach, Allen, Cerullo, Branham, Roberts, Osborn, Coe and many others. Those who lived through the great revival of the 1950s and 1960s will be thrilled to read about those exciting days. Those who do not remember those days need to read this book to see what has led us up to this present moment in time.David Edwin Harrell, Jr. is a professor of history at the University of Alabama in Birmingham. He has tried to write this book in an objective way, although you may not agree with all that he says. Dr. Harrell has visited Schambach revivals.

Randall Balmer's Mine Eyes Have Seen the Glory is an insightful and engaging journey into the world of conservative Christians in America. Originally published twenty-five years ago and the basis for an award-winning, three-part PBS documentary, this new edition is complete with a new chapter and an Afterword. In this immensely readable tour of the highways and byways of American evangelicalism, Balmer visits a revival meeting in Florida, an Indian reservation in the Dakotas, a trade show for Christian booksellers, and a fundamentalist Bible camp in the Adirondacks. Through the eyes of those that Balmer meets on his journeys, we arrive at a more accurate and balanced understanding of an abiding tradition that, as the author argues, is both rich in theological insights and mired in contradictions. Mine Eyes Have Seen the Glory offers readers a genuine insight into the appeal that the evangelical movement holds for thousands of Americans.

"Compact, clearly printed, and a delight to use. A sine qua non for the reference collections of public, academic, and theological libraries". -- American Reference Books Annual

This encyclopedia, revised and expanded, contains over 2600 descriptive entries on the religious and spiritual groups of the United States and Canada.

In this first extensive Jungian treatment of Milton's major poems, James P. Driscoll uses archetypal psychology to explore Milton's great themes of God, man, woman, and evil and offers readers deepened understanding of Jung's profound thoughts on Godhead. The Father, the Son, Satan, Messiah, Samson, Adam, and Eve gain new dimensions of meaning as their stories become epiphanies of the archetypes of Godhead. God and Satan of Paradise Lost are seen as the ego and the shadow of a single unfolding personality whose anima is the Holy Spirit and Milton's muse. Samson carries the Yahweh archetype examined by Jung in Answer to Job, and Messiah and Satan in Paradise Regained embody the hostile brothers archetype. Anima, animus and the individuation drive underlie the psychodynamics of Adam and Eve's fall. Driscoll draws on his critical acumen and scholarly knowledge of Renaissance literature to shed new light on Jung's psychology of religion. The Unfolding God of Jung and Milton illumines Jung's heterodox notion of Godhead as a quarterinity rather than a trinity, his revolutionary concept of a divine individuation process, his radical solution to the problem of evil, and his wrestling with the feminine in Godhead. The book's glossary of Jungian terms, written for literary critics and theologians rather than clinicians, is exceptionally detailed and insightful. Beyond enriching our understanding of Jung and Milton, Driscoll's discussion contributes to theology, to process theology, and to the study of myths and archetypes in literature.

Birth Of A Reformation: Or The Life And Labors Of Daniel S. Warner This book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature. In an attempt to preserve, improve and recreate the original content, we have worked towards: 1. Type-setting & Reformatting: The complete work has been re-designed via professional layout, formatting and type-setting tools to re-create the same edition with rich typography, graphics, high quality images, and table elements, giving our readers the feel of holding a 'fresh and newly' reprinted and/or revised edition, as opposed to other scanned & printed (Optical Character Recognition - OCR) reproductions. 2. Correction of imperfections: As the work was re-created from the scratch, therefore, it was vetted to rectify certain conventional norms with regard to typographical mistakes, hyphenations, punctuations, blurred images, missing content/pages, and/or other related subject matters, upon our consideration. Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references. However, a few of such imperfections which could not be rectified due to intentional /unintentional omission of content in the original edition, were inherited and preserved from the original work to maintain the authenticity and construct, relevant to the work. We believe that this work holds historical, cultural and/or intellectual importance in the literary works community, therefore despite the oddities, we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole, driven by our beliefs. We are grateful to our readers for putting their faith in us and accepting our imperfections with regard to preservation of the historical content. HAPPY READING!

The events of 9/11 had a profound impact on American society, but they had an even more lasting effect on Muslims living in the United States. Once practically invisible, they suddenly found themselves overexposed. By describing how Islam in America began as a strange cultural object and is gradually sinking into familiarity, Finding Mecca in America illuminates the growing relationship between Islam and American culture as Muslims find a homeland in America. Rich in ethnographic detail, the book is an up-close account of how Islam takes its American shape. In this book, Mucahit Bilici traces American Muslims ' progress from outsiders to natives and from immigrants to citizens. Drawing on the philosophies of Simmel and Heidegger, Bilici develops a novel sociological approach and offers insights into the civil rights activities of Muslim Americans, their increasing efforts at interfaith dialogue, and the recent phenomenon of Muslim ethnic comedy. Theoretically sophisticated, Finding Mecca in America is both a portrait of American Islam and a groundbreaking study of what it means to feel at home.
