I have made this Phonics Letter of the Week unit to address the Kindergarten(Prep) level of learning. The contents of this packet provide teachers with a variety of games, activities and worksheets to help teach correct letter formation, written letter identification and recognition of initial letter sound.My aim when creating this book was to provide a unit for teaching one letter of the alphabet at a time. There is a great emphasis on letter sounds, which makes this an ideal tool for phonics teaching.There are 30 games, activities and worksheets that can be used to help you teach the letter Bb at the beginning of the year and to reinforce and consolidate what has been learnt throughout the year.

In Cut & Paste the Alphabet, your child will practice safely using scissors and glue to make his or her own alphabet book. Your child will develop the fine motor control needed for kindergarten while simultaneously learning to recognize each letter and its sound!

In a rhythmic alphabet chant, all the letters race one another up the coconut tree.

Preschoolers will develop important pre-writing fine-motor skills and hand-eye coordination through cutting and pasting activities, using That's Silly(TM) puzzles, matching, and more, all in an affordable, travel-friendly pad format. Being able to cut and paste is an important step toward school readiness, and Highlights infuses Fun with a Purpose® into this essential learning skill. Cutting and Pasting is a 64-page full-color pad that gives preschoolers plenty of practice with scissors through interactive puzzles, cutting lines and shapes, cutting out and assembling simple toys, and other activities that improve manual dexterity.
