DEAD LOCK is Book 8 in Damien Boyd's DI Nick Dixon modern detective series. I've written reviews of the prior seven novels in the series. Boyd never disappoints. Narration is again by Napoleon Ryan. For a man with a deep voice he does a great job with female voices. 5 people found this helpful

In the early hours of Christmas Eve, the wife of parliamentary candidate Tom Perry is brutally murdered in an apparent burglary gone wrong. With the by-election campaign about to start in earnest, and the festive season in full swing, torrential rain brings with it flood warnings on the Somerset Levels. Suspended on full pay and transferred to the cold case unit, Detective Inspector Nick Dixon is languishing on the sidelines as the investigation into Elizabeth Perry's murder unravels and the floodwaters rise. Returning to duty, Dixon is convinced that the answer lies hidden in Tom Perry's political life, but why was Elizabeth the target and not her husband? The more Dixon uncovers, the further he is from finding the truth.... Dead Level is the fifth novel in Damien Boyd's addictive DI Nick Dixon Crime Series.

The highly anticipated seventh novel in the bestselling DI Nick Dixon Crime Series. A man has been mutilated and left to drown on the incoming tide, handcuffed in his van. With the murder bearing a striking resemblance to a string of sadistic killings carried out with surgical precision in 1990s gangland Manchester, it can mean only one thing: the killer is back. Transferred to the Major Investigation Team, DI Nick Dixon is assigned a new partner and sent to Manchester. Meanwhile, the gruesome murders in Somerset continue. Convinced of a connection with the unsolved gangland

killings, and with the odds stacked against him, Dixon takes the ultimate gamble, determined to bring the killer to justice before it's too late. But is it the same killer? If so, why has he resurfaced now? And how many more must die?

In this thriller from the bestselling DI Nick Dixon crime series, a brutal murder looks like a gangland execution... until the next body is found. Newly promoted DCI Nick Dixon is stuck behind a desk when the peace of the Somerset countryside is shattered by a spate of sheep killings. Dixon recognises a sinister pattern: the animals have all been slaughtered with a crossbow, the power increasing with each kill. It seems whoever is responsible is practising, but for what? Then the owner of a yacht that capsized on a suspected drug run is found dead, pinned to a tree by four crossbow bolts. Convinced that the killing is a gangland execution, the organised crime unit take over the investigation. Dixon is sure the motive lies elsewhere, but is forced to watch from the sidelines--until another body is found. Leading a major investigation team at Avon and Somerset Police headquarters, and with internal politics threatening to thwart him at every turn, Dixon must find the murderer before he kills again. And again...

The discovery of a severed head in a golf course bunker triggers a frantic race to find a serial killer that brings the town of Burnham-on-Sea to a standstill. A connection is made with a series of unsolved murders harking back to the 1970s, and Detective Inspector Nick Dixon finds himself caught in a race against time that takes him the length and breadth of the country. The brutal killing of an elderly man raises the stakes and, as he closes in, Dixon begins to question whether he is chasing one serial killer or two. *Head in the Sand* is the second novel in the highly acclaimed DI Nick Dixon Crime Series.

Crime Series. The body of an elderly man is found in an abandoned World War Two pillbox beside the Bridgwater and Taunton Canal. With no obvious motive and no credible suspect, DI Nick Dixon starts digging into the victim's past. The more he digs, the deeper Dixon is drawn into a case that takes him from the cave systems beneath rural Somerset to the heart of government, and threatens to expose a military cover-up at the highest level. Blocked by a wall of silence, Dixon must unravel a dangerous conspiracy before the killer strikes again.

A trainee jockey has been kicked to death by an aggressive stallion at the local stables. Deemed an accidental death, the case is closed. But when the jockey's brother returns from active service, he sparks an armed siege, demanding the investigation be re-opened and the truth uncovered. Still recovering from the physical and mental scars of his last case, Detective Inspector Nick Dixon is dragged deep into a murky world of betting scams and murder, where people will do anything to keep their secrets. Even if that means silencing a DI who keeps asking the wrong questions about the wrong dead jockey... Kickback is the third novel in the highly acclaimed DI Nick Dixon Crime Series.

A serial killer is at large. One item ties the victims together: in each case, their bra has been removed. Can DCI Harry Brock and DS Dave Pool crack a disturbing case? On a hot Tuesday morning in June, Detective Chief Inspector Harry Brock is called to Richmond Park in south-west London, where the body of a young woman has been found, strangled and half-naked, in the Isabella Plantation. The killer fled the scene with nothing – except the victim's bra. The discovery of further bodies, all women in their twenties, and all with missing bras, suggests a serial killer is at loose. With the help of Detective Superintendent Dave Poole and the rest of his team, it's not long before Harry uncovers a dark web of lies, betrayal, desire and deceit. But can he break the deadlock to catch a
