Democratization introduces the theoretical and practical dimensions of democratization. The text focuses on the 'global wave of democratization' which has been happening since about 1970. Key themes covered in this edition include: theories of democratization and their relation to democratic theory; critical prerequisites and driving social forces of the transition to democracy; pivotal ...

~~Democratization — Politics Trove~~

This chapter examines the factors that have been proposed as determinants when, where, and why democratization happens. Several of these factors are synthesized into a broader framework that describes human empowerment as an evolutionary force channelling the intentions and strategies of actors towards democratic outcomes.
