Engaging in Ethical E-Commerce. By Vivian Wagner. Sep 19, 2019 9:15 AM PT. Gone are the days when businesses just did business. Now, it's almost expected that business values and ethics will play a significant and enduring role in a company's identity. From the products they sell to the way they treat their employees, businesses are finding that they no longer can separate what they do from what they believe -- and customers want to know what the businesses they deal with stand for.
