Elementary Statistics Using the Graphing Calculator is written for the introductory statistics course in which the TI-83 or TI-84 Plus graphing calculator is used. It is appropriate for students majoring in any field, and the use of algebra is minimal, although completion of an elementary algebra course is recommended. The hallmarks of Triola's other texts are present here: a friendly writing style, an abundance of relevant exercises with real data, and an emphasis on interpretation of statistical results. In addition, this text provides TI-83 and TI-84 Plus calculator instructions, screen displays and projects.
