As a muse of European modernity, she is the controlling agent of an exemplary and formative transnational work—Galland's Thousand and One Nights of 1704—one that confounds nationalist literary histories and cannot be accounted for by classical philology. There simply is no ur-text but a condition of centuries of textual and inter-textual transmissions and accretions across linguistic and literary cultures stretching from Baghdad to Hollywood and back east to ‘ the Arab maiden with ...

European Modernity and the Arab Mediterranean examines Orientalist philological scholarship of southern Europe produced between the mid-nineteenth and mid-twentieth century. In Italy, Spain, and Malta, Mallette argues, a regional history of Arab occupation during the Middle Ages gave scholars a focus different from that of their northern European colleagues; in studying the Arab world, they were not so much looking on a distant and radically different history as seeking to reconstruct the ...

It is often taken for granted that modernity emerged in Europe and diffused from there across the world. This book questions that assumption and re-examines the question of European modernity in the light of world history. Bo Stråth and Peter Wagner re-position Europe in the global context of the 19th and 20th centuries. They show that Europe is less modern than has been assumed, and ...
