Family Theories: An Introduction by James M. White, Todd F. Martin, and new co-author Kari Adamsons provides an incisive, thorough primer to current theories of the family that balances the diversity and richness of a broad scope of scholarly work in a concise manner. This best-selling text draws upon eight major theoretical frameworks developed by key social scientists to explain variation in family life.

~~Family Theories by James M. White; David M. Klein ...~~

In *Advancing Family Theories*, author James M. White addresses such difficult questions that have been longstanding issues within the field of family studies and examines these matters from a social science perspective. *Advancing Family Theories* explores two contemporary theories of the family—rational choice theory and transition theory. These diametrically different approaches illuminate what differing theories reveal about families.
