Design, style, and accessorize clothes with this fun guide full of practical fashion design ideas for kids. Draw and color creations, choose materials, and learn to design through drawing your own fashion. Packed with practical tips and inspiration, children can enjoy experimenting with new ideas. Illustrations mixed with photography show kids how to choose gorgeous colors, design dress shapes, customize T-shirts, design a bag, pick a color palette, design with texture, and add sparkle to their accessories in simple, easy-to-follow design tasks and simple practical projects. Using inspiration from the natural world, everyday life, and their own imagination, children can design outfits from scratch and learn how to put together the clothes and accessories they already own in fun, stylish ways. Content support the STEAM (Science, Technology, Engineering, Art, Math) approach to cross-curricular learning.

Mary Gehlhar, author, industry authority, and consultant to hundreds of designers, including Zac Posen, Twinkle by Wenlan, Rebecca Taylor, and Cloak, gives readers behind-the-scenes insights and essential business information on creating and sustaining a successful career as an independent designer. With advice from fashion luminaries including Donna Karan, Tommy Hilfiger, Cynthia Rowley, Diane von Furstenberg, Richard Tyler, and top executives from Saks Fifth Avenue and Barneys New York, this fully updated and revised edition of The Fashion Designer Survival Guide addresses the latest trends in apparel and accessories, the newest designers, an updated introduction, and a new foreword by Diane von Furstenberg, Designer and President of the Council of Fashion Designers of America (CFDA). The Fashion Designer Survival Guide provides the necessary tools to get a fashion line or label up and moving on the right track, including: How to create a viable business plan Figuring out how much money you need, where and how to get it, and how to make it last, including the latest on private equity The best sources for fabric and materials Navigating the pitfalls of production both at home and abroad Marketing, branding, and getting the product into the stores and into the customer's closets Romancing the press, dressing celebrities, and creative publicity techniques Producing a runway show that will get results

The complete guide to the fashion industry, featuring interviews with top designers who explain the intricacies of the world of fashion design Anyone who has ever tried to launch a fashion design career knows how grueling it can be. The fashion industry is a highly prominent field, yielding a competitive environment that is greatly guarded, secretive, and difficult to infiltrate. Becoming a Fashion Designer provides all the information, resources, and tools you need to help you navigate these obstacles and successfully launch a career in fashion design. Of the various job opportunities available in the fashion industry, the career path of a fashion designer consistently ranks as the most popular position in the field, making the competition even greater. The book pays special attention to this and demonstrates several ways in which an aspiring fashion designer can stand out from the competition. A dynamic and comprehensive career guide, this book imparts insider tips from top fashion designers and executives based around the world. Expert advice includes an introduction to a career in fashion design, educational requirements, career opportunities, the design process, portfolio creation, preparation for getting hired, steps to start and run one's own fashion design business, as well as a forecast of the future of the fashion industry. Features original interviews from top designers and high-profile fashion executives, including Ralph Rucci, Reem Acra, Peter Som, Anna Sui, Nanette Lepore, Kay Unger, Stuart Weitzman, Dennis Basso, Randolph Duke, Zang Toi, Pamela Roland, Robert Verdi and Daymond John Includes cases in point and insider tips throughout Includes illustrations, drawings, sketches, and photographs demonstrating various aspects of working in fashion design, with special contributions from renowned illustrator, Izak Zenou and legendary fashion photographer, Nigel Barker Offers in-depth resources to assist you on your journey to becoming a fashion designer Whether a student, recent college graduate, industry professional or career changer, you'll learn everything you need to know to successfully develop a fashion design career.

An essential primer for students and first-stop reference for professionals, The Fashion Design Reference & Specification Booktakes the fashion designer through the entire design process, from conceiving a garment to marketing it. This valuable handbook contains the information and ideas essential to planning and executing fashion projects of every scale and distills them in an easy-to-use format that is compact enough to slip into a tote. Linking six central phases in the cycle of fashion--research, editing, design, construction, connection, and evolution--The Fashion Design Reference & Specification Book helps designers develop effective strategies for building a cohesive collection and communicating their vision. The Reference & Specification Book series from Rockport Publishers offers students and practicing professionals in a range of creative industries must-have information in their area of specialty in an up-to-date, concise handbook.

"The slogan of the store--"unruffled, unveiled, unstoppable women"--is a perfect descriptor for the tenacious religious feminists who here pursue the American Dream. " -Publishers Weekly The American Dream thrives in 1912 New York City Annie Wood, the housemaid-turned-pattern designer in The Pattern Artist, jumps at the chance to design her own clothing line when a wealthy New York couple offers to finance her endeavor. Joining the project is Annie's new husband, Sean Culver, her best friend at Butterick, Maude Nascato, and a mother figure, Edna Holmquist. Annie and her colleagues give up their careers, risking everything to follow a shared passion: clothes that are both fashionable and functional for modern, busy women in 1912. Personal and financial setbacks test old relationships and new romances while threatening to keep the business from ever selling a single dress. No one said it would be easy. But the promise of the American Dream holds a deep hope for those who work hard, trust God, and never give up.

An illuminating guide to a career as a fashion designer written by the Editor-in-Chief of Teen Vogue Lindsay Peoples Wagner, based on the real-life experiences of three acclaimed designers--required reading for anyone considering this competitive profession. Go behind the scenes and be mentored by the best in the business to find out what it's really like, and what it really takes, to become a fashion designer. Lindsay Peoples Wagner profiles three influential New York designers--Christopher John Rogers, Becca McCharen-Tran of Chromat, and Rosie Assoulin--to reveal how this dream job becomes reality. Today's designers must operate as innovative brands and businesses as well as inspired creatives. The designers in this book have built new models of success while addressing issues of identity, race, and inclusivity. Peoples Wagner showcases their paths to prominence, from early days and school to investment rounds and scaling. Becoming a Fashion Designer shows that this profession is about far more than clothes.

Purchase your copy today!Take action right away to Become Fashion Designer by Purchasing this book "The Ultimate Guide To Become A Fashion Designer:How To Be A Successful Fashion Designer".

This comprehensive guide explores the fundamental sewing methods fashion designers need and teaches professional garment construction. Chapter One introduces sewing tools and machinery (including industrial machines). It discusses how to work with patterns and explains cutting-out methods. Chapter Two is devoted to different fabrics and how they work, focusing on the construction of a garment, including fastenings and trimmings, and the use of materials to support structured pieces, such as corsets. Hand-sewing techniques and basic seams are explored in Chapter Three. Techniques are demonstrated with step-by-step photographic guides combined with technical drawings. A guide to making garment details and decorations, such as pockets, waistlines, and necklines, is found in Chapter Four. Chapter Five addresses fabric-specific techniques, for everything from lace to neoprene. The best technical approaches to use for patternmaking and construction are discussed for each fabric. Catwalk images demonstrate how these kinds of techniques are employed by designers.

Fashion Designer is structured in line with fashion courses globally and designed as a self-learning program. Lecturers support information is available in the form of PowerPoint slides and an instructors lecture guide.

"It's a treasure of a book. By which I mean it's beautiful and interesting, and will be a collector's item (after the printing is over), because of the brilliance of the content and its quality, as well as the quality of the book itself. A keeper." David
