preparing for the forensic psychiatry board exam or seeking recertification. The text is a concise and practical aid for mastering forensics, making key principles easy to understand and memorize. The book is divided into four sections.

Forensic Psychiatry: Essential Board Review - 1st Edition ...

In her introduction, Farrell makes it clear that the impetus for her writing Forensic Psychiatry: Essential Board Review was her desire for a “ concise and efficient study aid ” to “ complement the detailed information provided within the numerous forensic psychiatry textbooks ” (p ix), as well as the AAPL Forensic Psychiatry Review Course. Toward that end, I believe that the book has succeeded and fills a gap that has been lacking.
