NATIONAL BESTSELLER – A lively and bold blueprint for moving beyond the "era of institutional failure" by transforming our outmoded political and economic systems to be resilient to twenty-first-century problems, from the popular entrepreneur, bestselling author, and political truth-teller "A vitally important book."--Mark Cuban Despite being written off by the media, Andrew Yang's shoestring 2020 presidential campaign--powered by his proposal for a universal basic income of \$1,000 a month for all Americans--jolted the political establishment, growing into a massive, diverse movement. Now, in *Forward*, Yang reveals that UBI and the threat of job automation are only the beginning, diagnosing how a series of cascading problems within our antiquated systems keeps us stuck in the past--imperiling our democracy at every level. With America's stagnant institutions failing to keep pace with technological change, we grow more polarized as tech platforms supplant our will while feasting on our data. Yang introduces us to the various "priests of the decline" of America, including politicians whose incentives have become divorced from the people they supposedly serve. The machinery of American democracy is failing, Yang argues, and we need bold new ideas to rewire it for twenty-first-century problems. Inspired by his experience running for office and as an entrepreneur, and by ideas drawn from leading thinkers, Yang offers a series of solutions, including data rights, ranked-choice voting, and fact-based governance empowered by modern technology, writing that "there is no cavalry"--it's up to us. This is a powerful and urgent warning that we must step back from the brink and plot a new way forward for our democracy.

No magic is more powerful or dangerous than the spell of love. It is 1940, and Germany has just invaded France. Across the ocean, in Sweetwater, Tennessee, Penelope, a beautiful alchemist, receives a letter from her childhood friend, Naomie, urging her to France. Bereft from the loss of her widowed father, Penelope leaves her life and travels to German-occupied Paris. There, she meets Naomie's brother, the brilliant alchemist Fulcanelli and his mysterious apprentice, Lucien. Falling headlong into the alchemy's esoteric world, she helps Fulcanelli and Lucien resist the Nazi forces. She trains as a spy and infiltrates a powerful brothel, Le Chambrement. As the horrors of war close in around her, Penelope must seduce a murderous Nazi officer in a desperate calculation to save her lover, Lucian. Through the devastating magic of life, Penelope learns that alchemy has far more to do with the person than the element. *The Measure of Gold* is an epic story of alchemy, betrayal, courage, and transcendent love.

Between school and Al-Anon meetings, Jenna Boller helps Mrs. Gladstone cope with escalating problems that result from the merger of Gladstone Shoes with Shoe Warehouse Corporation, while managing a new employee with a shoplifting record. Reprint.

FROM USA TODAY AND #1 WALL STREET JOURNAL BESTSELLING AUTHOR OF *ELEVATE* Wake up. Get inspired. Change the world. Repeat. Global business leader and national bestselling author, Robert Glazer, believes we all have a responsibility to each other: to give one another the inspiration and support we need to be our best. What started as a weekly note known as Friday Forward to his team of forty has turned into a

global movement reaching over 200,000 leaders across sixty countries and continually forwarded to friends and family. In FRIDAY FORWARD, Robert shares fifty-two of his favorite stories with real life examples that will motivate you to grow and push you to be your best self. He encourages you to use this book as part of a positive and intentional Friday morning routine to get the weekend started on a forward-looking note that will carry you through the week. At once uplifting and deeply thought-provoking, these stories will challenge you to propel yourself outside your comfort zone to unlock your innate potential. By making small, intentional changes, you have the power to create lasting impact, not only in your own life, but also to inspire those around you to do the same. Today is the perfect day to start. Glazer's collection of inspiring, thought-provoking stories gives the motivation and mentorship you need to build a more fulfilling life and career. —Daniel H. Pink, Author of When and Drive

The Hope We Share How do we bring people together when our society is breaking apart? What will it take to bridge our divides, overcome mistrust, and restore our belief that we can get things done together as Americans? How do we bring out the best in us? In Stepping Forward, Richard C. Harwood gives us a new and inspiring blueprint to rediscover what we share in common and actively build upon it. As a trusted civic voice, he argues that to get the country moving in the right direction, these efforts must start in our local communities. Harwood shows us how we can reach within and beyond ourselves to address our shared challenges and create more purpose and meaning in our lives by—

- Being a part of something larger than ourselves and truly making a difference in our communities
- Refocusing on the desire for good in each other
- Unleashing a greater sense of shared responsibility
- Finding the courage and humility to take such a path

Americans are yearning for answers to the country's rampant polarization, hate speech, and gridlock. Stepping Forward shows us how to channel our frustrations, energies, and aspirations to get on a more hopeful path.

The internationally bestselling book that inspired the Pay It Forward movement is now available in a middle grade edition. Pay It Forward is a moving, uplifting novel about Trevor McKinney, a twelve-year-old boy in a small California town who accepts his teacher's challenge to earn extra credit by coming up with a plan to change the world. Trevor's idea is simple: do a good deed for three people, and instead of asking them to return the favor, ask them to "pay it forward" to three others who need help. He envisions a vast movement of kindness and goodwill spreading across the world, and in this "quiet, steady masterpiece with an incandescent ending" (Kirkus Reviews), Trevor's actions change his community forever. This middle grade edition of Pay It Forward is extensively revised, making it an appropriate and invaluable complement to lesson plans and an ideal pick for book clubs, classroom use, and summer reading. Includes an author's note and curriculum guide.

Some people in life know exactly what they want to achieve. Risk Forward is a book for the rest of us. Many of us live in a world that's obsessed with planning, achieving, and goal setting. But how do you move forward in times when your goals aren't yet clear, your plan is still unfolding, or you can't quite see the path ahead? Presentation Strategist and Performing Artist Victoria Labalme has an answer to this question that's both reassuring and radically freeing. Using skills she developed through 25 years of professional stage and screen performances, Victoria leverages her arts background to share her unique Risk Forward® methodology: a series of principles that have led to stunning results with individuals and organizations around the world. In these pages, you'll discover how you can make your next move even when you're not sure where you're going. And you'll see how "risking forward" into the unknown can bring results beyond what you could have imagined.

NEW YORK TIMES BESTSELLER "Lucid and wrenching...Forward puts [Wambach's] achievement in context with painful and beautiful candor." —NPR "Forward is the powerful story of an athlete who has inspired girls all over the world to believe in themselves." —Sheryl Sandberg, Facebook COO, New York Times Bestselling author of Lean In "This is the best memoir I've read by an athlete since Andre Agassi's Open." —Adam Grant, Wharton professor and New York Times bestselling author of Originals and Give and Take Abby Wambach has always pushed the limits of what is possible. At age seven she was put on the boys' soccer team. At age thirty-five she would become the highest goal scorer—male or female—in the history of soccer, capturing the nation's heart with her team's 2015 World Cup Championship. Called an inspiration and "badass" by President Obama, Abby has become a fierce advocate for women's rights and equal opportunity, pushing to translate the success of her team to the real world. As she reveals in this searching memoir, Abby's professional success often masked her inner struggle to reconcile the various parts of herself: ferocious competitor, daughter, leader, wife. With stunning candor, Abby shares her inspiring and often brutal journey from girl in Rochester, New York, to world-class athlete. Far more than a sports memoir, Forward is gripping tale of resilience and redemption—and a reminder that heroism is, above all, about embracing life's challenges with fearlessness and heart.
