of what it takes to win BIG! A fun read with specific strategies organized by grade level.

“The College Solution helps readers look beyond over-hyped admission rankings to discover schools that offer a quality education at affordable prices. Taking the guesswork out of saving and finding money for college, this is a practical and insightful must-have guide for every parent!” —Jaye J. Fenderson, Seventeen’s College Columnist and Author, Seventeen’s Guide to Getting into College “This book is a must read in an era of rising tuition and falling admission rates. O’Shaughnessy offers good advice with blessed clarity and brevity.” —Jay Mathews, Washington Post Education Writer and Columnist “I would recommend any parent of a college-bound student read The College Solution.” —Kal Chany, Author, The Princeton Review’s Paying for College Without Going Broke “The College Solution goes beyond other guidebooks in providing an abundance of information about how to afford college, in addition to how to approach the selection process by putting the student first.” —Martha “Marty” O’Connell, Executive Director, Colleges That Change Lives “Lynn O’Shaughnessy always focuses on what’s in the consumer’s best interest, telling families how to save money and avoid making costly mistakes.” —Mark Kantrowitz, Publisher, FinAid.org and Author, FastWeb College Gold “An antidote to the hype and hysteria about getting in and paying for college! O’Shaughnessy has produced an excellent overview that demystifies the college planning process for students and families.” —Barmak Nassirian, American Association of Collegiate Registrars and Admissions

Officers For millions of families, the college planning experience has become extremely stressful. And, unless your child is an elite student in the academic top 1%, most books on the subject won't help you. Now, however, there's a college guide for everyone. In *The College Solution*, top personal finance journalist Lynn O'Shaughnessy presents an easy-to-use roadmap to finding the right college program (not just the most hyped) and dramatically reducing the cost of college, too. Forget the rankings! Discover what really matters: the quality and value of the programs your child wants and deserves. O'Shaughnessy uncovers "industry secrets" on how colleges actually parcel out financial aid—and how even "average" students can maximize their share. Learn how to send your kids to expensive private schools for virtually the cost of an in-state public college...and how promising students can pay significantly less than the "sticker price" even at the best state universities. No other book offers this much practical guidance on choosing a college...and no other book will save you as much money!

- Secrets your school's guidance counselor doesn't know yet
- The surprising ways colleges have changed how they do business
- Get every dime of financial aid that's out there for you
- Be a "fly on the wall" inside the college financial aid office
- U.S. News & World Report: clueless about your child
- Beyond one-size-fits-all rankings: finding the right program for your teenager
- The best bargains in higher education
- Overlooked academic choices that just might be perfect for you

Every parent wants the best for their child. That's why they send them to college! But most parents struggle

File Type PDF Free Ride To College A Guide To Grooming Your Kids For A Full

to pay for school and end up turning to student loans. That's why the majority of graduates walk away with \$35,000 in student loan debt and no clue what that debt will really cost them.¹ Student loan debt doesn't open doors for young adults—it closes them. They postpone getting married and starting a family. That debt even takes away their freedom to pursue their dreams. But there is a different way. Going to college without student loans is possible! In Debt-Free Degree, Anthony O'Neal teaches parents how to get their child through school without debt, even if they haven't saved for it. He also shows parents: *How to prepare their child for college *Which classes to take in high school *How and when to take the ACT and SAT *The right way to do college visits *How to choose a major A college education is supposed to prepare a graduate for their future, not rob them of their paycheck and freedom for decades. Debt-Free Degree shows parents how to pay cash for college and set their child up to succeed for life.

Presents a step-by-step guide for prospective college students that shows students of all ages how to find and win scholarship prizes and cut down on student debt.

Kristina Ellis was awarded a full scholarship through her PhD. How she managed to get that kind of a scholarship offer is revealed in this book. Raised by a single mother, Kristina appeared to have everything stacked against her – years of living below the poverty level, imperfect grades and sub-par SAT scores. Yet Kristina discovered the secrets to effectively presenting herself as a unique and

File Type PDF Free Ride To College A Guide To Grooming Your Kids For A Full

desirable scholarship candidate. And she's sharing her secrets for scholarship success with students (and their parents) so that they too can obtain money for college.

In high school, everyone's talking about college. What to do. Where to go. Why it's important. Classes are given on it. Books are written about it. But details get left out. Every year, college graduates learn this the hard way as they step into adulthood. I was one of them. After earning a four-year degree, I went through two of the worst years of my life. Not that my situation is unique. I am a part of a generation that was told to go to college first and sort out the details later. Most of us did. We chased the promise of a big shiny future, and we ended up being chased by the mistakes of our past. That's not to say we completely regretted going. This book isn't a list of privileged millennial complaints. It's a collection of wisdom gained in less than pleasant ways. It's a story of hardship, failure, victory, and perseverance. It's all of the things we wish someone had told us. And it takes place before college, in college, after college, and without college. This is the wild, painful, awkward, hilarious, depressing, & beautiful journey from youth to maturity. This is the college book that no one ever gave us.

There is an art to studying. Anyone one can "study," but few truly learn the art. Drew Case's insightful new guide to academic achievement, *The Keys to Success*, provides the tools you need for a lifetime of accomplishment. The author's fifteen years of classroom instruction have helped shape this handbook into a fun and easy-to-read compilation that teaches the skills required for successful learning, studying, and test taking. Over the past decade and a half, the strategies laid out in *The Keys to Success* have been shown to help all types of students achieve their maximum potential time and time again. The lessons learned, however, don't simply apply to college students. Instead, anyone wishing to acquire and apply new skills can benefit from Case's expertise. Originally conceived as a short addendum to the syllabi in his college science and nursing classes, Case quickly realized just how much most students needed a no-nonsense guide to academic achievement. As a result, he modified his

File Type PDF Free Ride To College A Guide To Grooming Your Kids For A Full

original materials that resulted in the Comprehensive Year Book 1

book that is The Keys to Success. So whether one is a K-12 or college student, acquiring new job skills, or even a member of the military, the potential knowledge this educative guide offers is endless. Case travels around the state presenting to various K-12 schools and colleges. Case is available for speaking and presentations. Please contact him at drew.case@doane.edu for more information.

Comments/Reviews While reading your book, I found myself reflecting on my college years and my laborious study methods. I wish I had read your book back then! -Bill, CreateSpace Editor This book has been a huge help to me as a high school student. I recently took an ACT preparation class and most everything covered in the class was covered in this book. It taught me how to get through tests quickly, but very efficiently and systematically. It has also taught me different methods for studying and I have found these tips very helpful. I highly recommend this book. - Isabel, High School Student Something's just need a refresher. This book provides all that and more!!! I would highly recommend this to anybody embarking on furthering their educational goals. - College Staff I think the book is great! I love the common sense approach in a day when "common sense" is rare. Your layout is clean and fresh. There is a nice flow. I found THE KEYS TO SUCCESS to be caring, upfront and a GPS to success. - College Bookstore Manager Coming back to school after many years of raising a family and having a career I felt so rusty and lost. This book literally saved my grade. If you have concerns about how to study and do well in college, this book is a **MUST!** Thanks Mr. Case - Angie,

College Student I had Mr. Case for my pharmacology class and he gave us a copy of the unprinted book to see if we liked it. LOVED IT!!!! Seriously, I don't know how I could have passed this class without it. Why didn't you have this book available when I took your anatomy class? - Sam, College Student
