Glocal Circular Economy by MISTRA. Professor Dani Wadada Nabudere, a respected academic and educator from Uganda, dedicated his life to applying and spreading the notion of 'community sites of knowledge', which simply means using indigenous tools of knowledge to revitalise the lives of Africa's people. He staunchly believed that the liberation of ...

~~From agriculture to agricolology : towards a glocal circular ...~~

Agricolology supports farmers and growers to transition to more resilient, sustainable farming systems. Bringing together research and farmer experience on agroecological practices (such as reduced tillage, cover crops and reintegrating livestock) to replace inputs with knowledge. Practical, sustainable farming, regardless of labels.
