In a sense, stories and epics in agile are similar to stories and epics in film or literature. A story is one simple narrative; a series of related and interdependent stories makes up an epic. The same is true for your work management, where the completion of related stories leads to the completion of an epic.

"Epic" is a hard genre to get precise agreement about. The one that stood out to me as not belonging was "Hamlet." I voted for some that were marginal in terms of structure-- Lord of the Rings is mostly prose, Sir Gawain is quite short, Dante's Divine Comedy doesn't have the typical epic plot, etc. Thanks for starting this list.
