Have fun, save money, and improve your home with these easy step-by-step projects Are you looking for a way to make your bathroom a little more beautiful? Or maybe you'd like to give your tired furniture a face-lift, improve your home's air quality, or fix a toilet. No matter your DIY needs and no matter whether you're a DIY novice or expert, home improvement guru Andrea Ridout, host of the nationally syndicated radio show Ask Andrea, has ideas, expertise, and advice to share with you. If I Had a Hammer offers easy-to-follow instructions and illustrations designed to make home improvement simpler than ever. With a little help from Andrea, you'll be able to tackle repairs, painting and decorating, bathroom and kitchen remodeling, wood care for furniture and floors, and much more with projects that often take as little as an hour. Also, you can try a few of Andrea's energy-conserving projects that can dramatically improve your utility bill—Andrea's projects are friendly on the environment and on your wallet! With If I Had a Hammer, you'll have the tools to keep your home functioning and looking as good as—or even better than—new.

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Tales From the Magician's Skull is a printed fantasy magazine dedicated to presenting all-new sword-and-sorcery fiction by the finest modern crafters in the genre. These stories are the real thing, crammed with sword-swinging action, dark sorceries, dread, and ferocious monsters -- and they hurtle forward at a headlong pace. The second issue of Tales From the Magician's Skull continues the great material that we put in place with the first issue. The second issue contains 7 new stories by some amazing talent!

Written by the renowned educationalist Paul Harris, *You Can Read Music* demystifies the process of learning to read music, based on the principles of his highly successful Simultaneous Learning approach. This is a practical workbook for anyone who has ever wanted to read music notation. Ideal for those new to reading music, students learning to sing or play an instrument and classroom teachers and choral singers wanting to improve their skills. By the end of this book you will be able to read and understand music notation - you don't even need a musical instrument. This is the full eBook version of the original edition.
