After the death of a police officer, assassin Kahllah (aka the Black Lotus) is forced out of retirement in an attempt to clear her name while outrunning a mysterious enemy. "K'wan delivers a lean, tightly plotted tale that balances noir aesthetics with comic book flair. Fans of pulp and urban lit will be well satisfied." --Publishers Weekly "From page one to the last, K'wan's Black Lotus 2: The Vow is a high-wire act with no net. A smart refiguring of hard-boiled with a nitro injection of new-age sensibilities." --Reed Farrel Coleman, New York Times best-selling author of Walking the Perfect Square "Like a cool, hip, and fun evening at a vintage drive-in, Black Lotus 2: The Vow takes me back to a time when Jim Kelly, Pam Grier, and Fred Williamson graced the big screen. Throw in some Bruce Lee and a little The Last Dragon and you have a hell of a butt-kicking, action-filled ride." --Ace Atkins, New York Times best-selling author of The Shameless "Black Lotus 2: The Vow is a thrilling roller-coaster ride of a mystery that kept me on the edge of my seat!" --Bernice L. McFadden, author of The Book of Harlan It's been months since Kahllah El-Amin, aka the Black Lotus, hung up her pistols, retired from the murder-for-hire business, and finally found peace. But when a police officer is murdered and a familiar flower is left at the crime scene, all signs point to it being the work of the Black Lotus. Someone is trying to frame her. Things get more complicated when the case is handed to Detective James Wolf, a former adversary who has since become a friend. To clear her name, Kahllah is forced out of retirement and once again must don the mask of the Black Lotus. She races against time to catch the real killer while trying to outrun her most formidable rival. Their deadly game leads to a shocking truth buried under a mountain of lies, as Kahllah attempts to find justice in a world devoid of light.

(Amadeus). The great baritone Leonard Warren was history's most notable interpreter of Verdi, making his mark in the title roles of Rigoletto , Macbeth and Simon Boccanegra . In this definitive biography, Mary Jane Phillips-Matz, author of an acclaimed biography of Giuseppe Verdi, offers an intimate portrait of a beloved opera star, based on hundreds of interviews. More than 100 rare photographs capture Warren in his great roles as well as in private moments. HARDCOVER.

Firsthand accounts from the attorneys and advocates who brought the historic cases and fought to secure the freedom to marry for same-sex couples. The June 2015 decision in Obergefell v. Hodges was a sweeping victory for the freedom to marry, but it was one step in a long process. Love Unites Us is the history of activists ' passion and persistence in the struggle for marriage rights for same-sex couples in the United States, told in the words of those who waged the battle. Launching the fight for the freedom to marry had neither an obvious nor an uncontested strategy. To many activists, achieving marriage equality seemed far-fetched, but the skeptics were proved wrong in the end. Proactive arguments in favor of love, family, and commitment were more effective than arguments that focused on rights and the goal of equality at work. Telling the stories of people who loved and cared for one another, in sickness and in health, cut through the antigay noise and moved people—not without backlash and not overnight, but faster than most activists and observers had ever imagined. With compelling stories from leading attorneys and activists including Evan Wolfson, Mary L. Bonauto, Jon W. Davidson, and Paul M. Smith, Love Unites Us explains how gay and lesbian couples achieved the right to marry. " An exceptional piece of work by courageous and innovative leaders. " —Eric H. Holder Jr., 82nd US attorney general " Captures the amazing story of the fight for marriage equality—in California and around the country. A remarkable journey recounted with truth and eloquence. " —Gavin Newsom, governor of California

Trinidad is known for its vibrant musical traditions, which reflect the island ' s ethnic diversity. The annual Carnival, far and away the biggest event in Trinidad, is filled with soca and calypso music. Soca is a dance music derived from calypso, a music with African antecedents. In parang, a Venezuelan and Spanish derived folk music that dominates Trinidadian Christmas festivities, groups of singers and musicians progress from house to house, performing for their neighbors. Chutney is also an Indo-Caribbean music. In Bacchanalian Sentiments, Kevin K. Birth argues that these and other Trinidadian musical genres and traditions not only provide a soundtrack to daily life on the southern Caribbean island; they are central to the ways that Trinidadians experience and navigate their social lives and interpret political events. Birth draws on fieldwork he conducted in one of Trinidad ' s ethnically diverse rural villages to explore the relationship between music and social and political consciousness on the island. He describes how Trinidadians use the affective power of music and the physiological experience of performance to express and work through issues related to identity, ethnicity, and politics. He looks at how the performers and audience members relate to different musical traditions. Turning explicitly to politics, Birth recounts how Trinidadians used music as a means of making sense of the attempted coup d ' é tat in 1990 and the 1995 parliamentary election, which resulted in a tie between the two major political parties. Bacchanalian Sentiments is an innovative ethnographic analysis of the significance of music, and particular musical forms, in the everyday lives of rural Trinidadians.
