How Should I Communicate as a Caregiver?

When communicating with people from other cultures, you may notice that they are more expressive with their face (to show happiness, sadness, frustration, etc.) than you are used to, or you may notice that they do not show much expression at all. Much communication is non-verbal, no matter what the culture.

How to Communicate Well With People from Other Cultures

Guest Post by Steve Summers\* 1. Please always keep in mind that communication difficulties are common with Autism. We have difficulties in reading social cues and body language. Be patient and understanding. 2. We tend to take things literally and have often trouble reading between the lines. As a result, we may ask a lot...

10 Tips on How to Communicate with Autistic People

For some reason, many of us have a tendency to assume our partner should be able to know exactly what we ' re thinking without us telling them. It ' s as if we ' re testing them – asking them to prove they know us well enough to diagnose our feelings without any kind of verbal cue. In reality, all this does is leave everybody feeling put out.
