fascinators, and cut and sewn - and thereby describes how to make fourteen different designs. It goes on to suggest ways of finishing the hats with embellishments such as bows, felt, veiling and flowers. Drawing on her rich experience, the author generously shares her ideas and her advice so that you can achieve a professional finish and make a design that flatters the wearer and completes an outfit. With beautiful photographs and clear instructions, this book is an essential guide for anyone who wants to design and make a hat for a daily outing, a special occasion or a costume. The comprehensive coverage introduces stitching, shaping and sewing techniques - the essential skills of millinery; advises on design, where to find inspiration and fitting hats; covers blocked hats - five styles explained with different materials and trimming ideas; includes headpieces and fascinators - seven designs, including a bridal suggestion with lace, feathers and flowers; and cut and sewn hats - making the beret and bandeau using dressmaking techniques. With further ideas for trimmings, including advice on how to use bows, additional felt, veiling, flowers and much more, this is an inspirational book aimed at everyone interested in hats, millinery and fashion. Over 400 stunning colour photographs support the step-by-step instructions and illustrate the beauty of these hats.

The crafter behind the popular blog Wild Olive offers 25 different embroidery patterns and project instructions for creating adorable little critters, including farm and woodland animals, dinosaurs and mythical creatures. Original.

Beret-like headwear has been worn across Europe since pre-Roman times. Mass production began in 19th century France, Spain and Italy, countries with which it remains associated. This classic work contains all of the information you will require to make and finish a beret of your own.

Hats finish an outfit; they make a statement, provide panache and lift your spirits. This book explains how to make your own hats, using traditional construction methods with both specialist millinery foundation materials and a range of fabrics and trimmings. It showcases twenty-six hats and headpieces, each with step-by-step photographs and instructions, some using ready-made elements, others that are made from scratch. Celebrating the versatility of hats, it introduces the wide range of styles and shapes that modern millinery has embraced. Explains the anatomy of the hat and how to fit a hat, and gives general millinery tips. Suggests sources of inspiration and design ideas. Introduces a range of hats and hat styles, from small, fun and fast headpieces to special occasion hats. Superbly illustrated with 534 colour step-by-step photographs.

This book will enable you to make your own fur felt hat with a minimum of tools. The mystery is removed with clear instructions and photos. The techniques discussed here apply to all felt hats, not only western.
