Essentials of HRM combines a commentary on organizational behaviour with an explanation of human resource management techniques, and also acts as an introduction to industrial relations. It will prove an invaluable aid to those studying for professional qualifications, such as Membership of the Institute of Personnel Management or the Diploma in Management Studies, and for students on general business or social service courses. Equally, the practising manager will find this book a useful and practical guide.

Human Resources Management 8e provides an introduction to human resource management for undergraduate students at universities and universities of technology. It considers changes in market conditions and focuses on the current HR climate with in greater business and economic context, both within southern Africa and the international community.

This book is a new edition of the market leading text. Changes include increasing coverage of small and medium enterprises, new material on managing diversity and cross-cultural workforces, new material on off-shoring, particularly to India or China, and a new chapter on sustaining global growth and linking the international HR function more firmly to a company's strategic growth plans.-Back cover.

This is an ideal foundation text for anyone studying or working in the International Human Resource Management (IHRM) arena. This text utilizes and incorporates most of what is currently known, researched or experienced in the field. It features data and examples from academic research, international businesses and consulting firms, as well as experiences of and interviews with HRM managers in multinational and global firms. This book offers both a theoretical and practical treatment of this important and constantly evolving area. Thoroughly updated and revised, this second edition now includes key terms, learning objectives, discussion questions and an end-of-book

Online Library Human Resource Management 6th Edition

integrative case. It has been designed to lead readers through all of the key topics in a highly engaging and approachable way. This book focuses on IHRM within multi-national enterprises (MNEs) and covers topics including: * MNE and country culture * organizational structure, strategy and design * international joint ventures and cross-border mergers and acquisitions * labour standards, ethics and codes of conduct * selection and management of international assignees * training and management development * compensation and benefits * health and safety and crisis management * IHRM departments and professionals Uncovering precisely why IHRM is important for success in international business and how IHRM policies and practices function within the multinational enterprise, this outstanding textbook provides an essential foundation for an understanding of the theory and practice of IHRM. This book is essential reading for all students, lecturers and IHRM professionals.

Recognizing the inherent tensions and contradictions that result from managing people in organizations, Human Resource Management in Public Service: Paradoxes, Processes, and Problems offers provocative and thorough coverage of the complex issues of management in the public sector. Continuing the award-winning tradition of previous editions, this Sixth Edition helps you to understand complex managerial puzzles and explores the stages of the employment process, including recruitment, selection, training, legal rights and responsibilities, compensation, and appraisal. Grounded in real public service experiences, the book emphasizes hands-on skill building and problem solving. New to the Sixth Edition: Ethics case studies have been added to all the chapters, enabling you to learn about a variety of ethical situations that come up in management. Updated and consolidated recruiting strategies offer you a window into the most current methods used in the recruitment process and provide insight into the job seeker's perspective. New examples from a broad range of local, state, federal, and international settings enable you to apply key concepts to common management issues.

Each chapter contains exercises designed to keep students thinking about competitive advantage in a variety of scenarios, discussions and questions. Experimental exercises in which the user is asked to analyse a case study. Dozens of up-to-date cases with analysis and discussion as well as cases for additional student analysis. Policies and materials from well-known companies HR policy statements and practices, examples of commonly used forms and relevant laws and governmental regulations.

This comprehensive text covers the entire field of human resource development, from orientation and skills training, to career and organizational development. It shows how concepts and theory have been put into practice in a variety of organizations. This sixth edition of HUMAN RESOURCE DEVELOPMENT reflects the current state of the field, blending real-world practices and up-to-date research. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Provides a brief introduction to human resource management. This book focuses on the uses of human resources for the general population. A comprehensive instructor's manual, test bank, PowerPoint presentation and a complete Online Learning Center make course preparation easy.

Introducing Human Resource Management is a lively and engaging introduction to the key topics and issues surrounding people

Online Library Human Resource Management 6th Edition

management. Clearly linking HR theory to the work environment, this book explores core areas such as HR strategy and planning, employee engagement, diversity and equality, and talent management and development. The text combines solid academic underpinning with practical examples to allow you to consolidate your learning and apply it in practice.

Providing all the research, models and theory needed for an HR masters degree and the examples and context necessary to excel as an HR professional.
