Intermediate Accounting: IFRS Edition provides the tools global accounting students need to understand IFRS and how it is applied in practice. The emphasis on fair value, the proper accounting for financial instruments, and the new developments related to leasing, revenue recognition, and financial statement presentation are examined in light of current practice. Global Accounting Insights highlight the important differences that remain between IFRS and U.S. GAAP, and discuss the ongoing joint convergence efforts to resolve them. Comprehensive, up-to-date, and accurate, Intermediate Accounting: IFRS Edition includes proven pedagogical tools, designed to help students learn more effectively and to answer the changing needs of this course.

core concepts of accounting in familiar ways to build a strong foundation that can be applied across business fields. Each chapter opens with a relatable real-life scenario for today's college student. Thoughtfully designed examples are presented throughout each chapter, allowing students to build on emerging accounting knowledge. Concepts are further reinforced through applicable connections to more detailed business processes. Students are immersed in the "why" as well as the "how" aspects of accounting in order to reinforce concepts and promote comprehension over rote memorization.

The Student Practice and Solutions Manual to accompany Kieso Intermediate Accounting 17e contains a chapter review, and a selection of brief exercises, exercises, and problems with accompanying solutions from Kieso's Problem Set B which is similar to end of chapter material.

Intermediate Accounting by Kieso, Weygandt, and Warfield is, quite simply, the standard by which all other intermediate texts are measured. Throughout the thirty years, and ten best-selling editions, the text has built a reputation for accuracy, comprehensiveness, and student success. This Updated Edition features and incorporates the 2005 FASB key accounting standards that have been updated since the original publication of "Intermediate Accounting, 11th Edition." The

Updated Eleventh Edition maintains the qualities for which the text is globally recognized, and continues to be your students' gateway to the profession! Included in the package is the "Problem-Solving Survival Guide."

Lo/Fisher is praised for its readability and conversational writing style that helps students better understand difficult concepts in Accounting. Lo/Fisher presents the how and why of reporting accounting information from within an easily-understood theoretical framework. Lo/Fisher has a clean layout that engages the reader with a clear writing style using plain English. This text is built on the current International Financial Reporting Standards (IFRS) and incorporates Accounting Standards for Private Enterprise (ASPE) where appropriate. Our philosophy is that when students understand the current standards, they will be able to analyze and interpret changes in the future.
