International

Accounting of the

Accounting

profession. As

Hoyle 12e

introduces them to the field's many aspects, it often focuses on past controversies and present resolutions.

The text continues to show the development of financial reporting

as a product of
intense and
considered debate
that continues today
and into the future.

The writing style of
the eleven previous
editions has been
highly praised.

Students easily
comprehend
chapter concepts
because of the
conversational tone

includes an
increased
integration of IFRS
as well as updated
accounting
standards.

Fundamentals of
Advanced
