2016 Winner of the Norma Fleck Award for Canadian Children ’ s Non-Fiction 2016 ALA Stonewall Book Award, Honor Book 2016 ALA Notable Children's Book A comic book for kids that includes children and families of all makeups, orientations, and gender identities, Sex Is a Funny Word is an essential resource about bodies, gender, and sexuality for children ages 8 to 10 as well as their parents and caregivers. Much more than the "facts of life" or “ the birds and the bees,” Sex Is a Funny Word opens up conversations between young people and their caregivers in a way that allows adults to convey their values and beliefs while providing information about boundaries, safety, and joy. The eagerly anticipated follow up to Lambda-nominated What Makes a Baby, from sex educator Cory Silverberg and artist Fiona Smyth, Sex Is a Funny Word reimagines "sex talk" for the twenty-first century.

The eagerly anticipated follow up to Lambda-nominated What Makes a Baby, from sex educator Cory Silverberg and artist Fiona Smyth, Sex Is a Funny Word reimagines "sex talk" for the twenty-first century.

A completely new approach to learning about puberty, sex, and gender for kids 10+. Here is the much-anticipated third book in the trilogy that started with the award-winning What Makes a Baby and Sex Is a Funny Word In a bright graphic format featuring four dynamic middle schoolers, You Know, Sex grounds sex education in social justice, covering not only the big three of puberty—hormones, reproduction, and development—but also power, pleasure, and how to be a decent human being. Centering young people ’ s experiences of pressures and joy, risk and reward, and confusion and discovery, there are chapters on body autonomy, disclosure, stigma, harassment, pornography, trauma, masturbation, consent, boundaries and safety in our media-saturated world, puberty and reproduction that includes trans, non-binary, and intersex bodies and experience, and more. Racially and ethnically diverse, inclusive of cross-disability experience, this is a book for every kind of young person and every kind of family. You Know, Sex is the first thoroughly modern sex ed book for every body navigating puberty and adolescence, essential for kids, everyone who knows a kid, and anyone who has ever been a kid.

Plautus, Rome's earliest extant poet, was acclaimed by ancient critics above all for his mastery of language and his felicitous jokes; and yet in modern times relatively little attention has been devoted to elucidating these elements fully. In Funny Words in Plautine Comedy, Michael Fontaine reassesses some of the premises and nature of Plautus' comedies. Mixing textual and literary criticism, Fontaine argues that many of Plautus' jokes and puns were misunderstood already in antiquity, and that with them the names and identities of some familiar characters were misconceived. Central to his study are issues of Plautine language, style, psychology, coherence of characterization, and irony. By examining the comedian's tendency to make up and misuse words, Fontaine sheds new light on the close connection between Greek and Roman comedy. Considerable attention is also paid to Plautus' audience and to the visual elements in his plays. The result is a reappraisal that will challenge many received views of Plautus, positioning him as a poet writing in the Hellenistic tradition for a knowledgeable and sophisticated audience. All quotations from Latin, Greek, and other foreign languages are translated. Extensive indices, including a "pundex," facilitate ease of reference among the many jokes and plays on words discussed in the text.

In the near future, a virus leaving the world with no new births appears to mark the end of humankind, yet three of the world's last surviving teenagers--friends Mia, Jesse, and Xian--are determined to carry on.

“ We think of English as a fortress to be defended, but a better analogy is to think of English as a child. We love and nurture it into being, and once it gains gross motor skills, it starts going exactly where we don ’ t want it to go: it heads right for the goddamned electrical sockets. ” With wit and irreverence, lexicographer Kory Stamper cracks open the obsessive world of dictionary writing, from the agonizing decisions about what to define and how to do it to the knotty questions of ever-changing word usage. Filled with fun facts—for example, the first documented usage of “ OMG ” was in a letter to Winston Churchill—and Stamper ’ s own stories from the linguistic front lines (including how she became America ’ s foremost “ irregardless ” apologist, despite loathing the word), Word by Word is an endlessly entertaining look at the wonderful complexities and eccentricities of the English language.

Looks at movie stills and drawings for a variety of Disney animated films and shows how sight gags, visual puns and jokes are developed

Geared to readers from preschool to age eight, *What Makes a Baby* is a book for every kind of family and every kind of kid. It is a twenty-first century children's picture book about conception, gestation, and birth, which reflects the reality of our modern time by being inclusive of all kinds of kids, adults, and families, regardless of how many people were involved, their orientation, gender and other identity, or family composition. Just as important, the story doesn't gender people or body parts, so most parents and families will find that it leaves room for them to educate their child without having to erase their own experience. Written by a certified sexuality educator, Cory Silverberg, and illustrated by award-winning Canadian artist Fiona Smyth, *What Makes a Baby* is as fun to look at as it is useful to read.

Like many ambitious New York City teenagers, Craig Gilner sees entry into Manhattan's Executive Pre-Professional High School as the ticket to his future. Determined to succeed at life—which means getting into the right high school to get into the right college to get the right job—Craig studies night and day to ace the entrance exam, and does. That's when things start to get crazy. At his new school, Craig realizes that he isn't brilliant compared to the other kids; he's just average, and maybe not even that. He soon sees his once-perfect future crumbling away.
