In the end, the book is about the coffee.
Not in it's content but in it's experience.
Like a Starbucks latte it is overpriced for
what you get, the ideas like the beans have
been overcooked and charred and the only
way to survive it is to bury it in the
sacchine syrup to cover up how bad the

It ' s not about the coffee. It is about expression and the eternal release of thought into the world. Also the light of the lamp represents the presence of the character ' s thoughts casting over the books. And of course the chair makes the image into a scene where one could imagine a character hard at work reading,
