Protective Relaying: Principles and Applications, Fourth ...

I own Protective Relaying Principles and Applications by J. Lewis Blackburn and was wondering if anyone out there had the solutions manual for the book. I am not a student looking to cheat in a class. I work for an electrical testing and maintenance company and bought the book for self teaching. Working out problems is pointless if you

Solutions to problems in Protective Relaying Principles

...

I am really frustrated right now. I bought "Protective Relaying Principles and Applications" by J. Lewis Blackburn and Thomas J. Domin, on the recommendation from r/engineering. It has been a great book, and since my undergrad only barely covered some of this material (symmetrical components, relay coordination etc..) it has been a great resource.
