The Weider Crossbow home gym is a good mid level piece of equipment that is relatively cheap compared to its competitors. Here you can find a completely objective, thorough evaluation of its strengths and weaknesses. Exercises and Features The company says it has 65+ exercises, but I never really believe that marketing hype as most of the so called exercises will be derivations of the classics ...

Weider Crossbow Home Gym

The Weider Crossbow, along with its main competitor the Bowflex, is taking the home gym market by storm. Compared to conventional multi gyms and free weights they have some notable advantages. For the uninitiated here's a quick summary of why the Crossbow is preferred by many to other forms of strength training equipment...

Crossbow Circuit TrainingIf you are partial to circuit training, you can adapt the circuit workout from the gym to work on a Weider Crossbow. Because a circuit involves going from one exercise to the next with no time out to rest, you'll find it fairly easy on a Crossbow because all the exercises are performed on the same piece of equipment. For instance, perform one set each of flys, leg ...
